SUMMARY

As a Technical Support Executive with experience at Hexaware, I have a strong background in HTML/CSS/JavaScript, PHP, MySQL, WordPress and computer systems. I have a Bachelor of Arts degree from S. K. Somaiya Degree College of Arts, Science And Commerce. I am skilled in providing technical support and troubleshooting issues for clients. I am a quick learner and have a passion for problem-solving. My goal is to be a successful web developer and contribute to the success of a dynamic organization.
